

How to grab the ready stock in Malaysia?

1. We understand the trust is not easy to build. So we suggest to start with a small order like 5,000 box or 10,000 box. Then continues can add on the order with larger quantity.
2. Ready stock in market is not fixed and cant be commit. Therefore, we will plan the time frame to grab stock for you according to your order quantity. If our on hand quota is exceed, then we may close the quota to new buyers for Ready Stock order.
3. If somehow we unable to fullfil the ready stock order delivery on the quantity buyers order, we may refund the balance outstanding stock or carry forward the payment to next batch order schedule.

This is the current situation happening now in Malaysia, buyers are holding Cash to grab the stock by queueing in front of the factory or warehouse.

Who pay first, who can get the stock first.

You can Grab the ready stock in Malaysia now.

But you need to follow our procedure to order the ready stock.

Let us tell you what is happen in our country and how the people grab the ready stock?

How the ready stock come out from factory or distributors?

1. The extra stock during the factory production.
2. Buyers cancel order stock.
3. Distributors sell their stock in the market.
4. Reseller bought the stock previously and hold the stock till price increase to let go in market.
5. Some seller they buy from distributors and resale to the market.

How to trade the ready stock?

4. Factory or Distributors will have some ready stock to put market to sell everyday.
5. We may not know the brand, size, quantity or price until the stock already put to market to sell.
6. We are the sales agent carry for more than 30 brands in Malaysia gloves market. So we know well about the gloves market info and we got many source on hand.
7. We will receive the ready stock list from different brand everyday.
8. We suggest buyers not to choose brand to orders, as the demand now is very high, we suggest to mixed brand order and this will make things deal faster.
9. To buy ready stock with seller, we need to follow seller requirement like mixed size for 1 trade. You unable to choose only 1 size or 2 size. This is call pre-order and not the ready stock trade.

Example 1 : S 10% M30% L40% XL20%

Example 2 : S 20% M30% L40% XL10%

Example 3 : S 30% M40% L30%

Example 4 : S 20% M40% L40%

Example 5 : S 10% M50% L40%

Example 6 : M50% L50%

**The quantity of size ratio is not confirm. Seller will update to us for each batch.

How to grab the ready stock?

10. We need to prepare Cash on hand only able to grab the ready stock.
11. To grab the ready stock we need to be fast than others only we success to get it.
12. We have our own team to get the source and to grab the ready stock everyday.

How buyers and sales agent to make this deal happen?

13. Buyers can sign a S&P (Sales & Purchase Agreement).
14. Full Payment TT / PayPal to our company account, can pay batch by batch.
15. Buyers have to trust Sales agent for the Ready Stock trade. This is not a easy deal, because in market there was many Sales Agent to grab stock for their oversea buyers. The success deal is because of the Buyers trust the Sales agent. But most of the trade is not success deal because lack of trust, each time ready stock list out, oversea buyers take long time to consider and think. Then the ready stock gone to others buyers. Only 10% aggressive & experience sales agent success trade for ready stock gloves, 90% of sales agent failed because of they waiting the confirmation from oversea buyers for long time, some stock only got less than 1 hour to confirm. If more than that 1 hour, the goods already grab from others.
16. We understand the trust is not easy to build. So we suggest to start with a small order like 5,000 box or 10,000 box. Then continues can add on the order with larger quantity.
17. Ready stock in market is not fixed and cant be commit. Therefore, we will plan the time frame to grab stock for you according to your order quantity. If our on hand quota is exceed, then we may close the quota to new buyers for Ready Stock order.
18. If somehow we unable to fullfil the ready stock order delivery on the quantitiy buyers order, we may refund the balance outstanding stock or carry forward the payment to next batch order schedule.
19. Every batch ordered we bought from market for our buyers, we take a photo with a paper written buyer's "Name + Date + Qty box" to show the

proof as we had bought it for buyers. “Photo + Video” will show to buyers after we bought the ready stock to our buyers.

There are more than 30 difference brands of Ready Stock gloves in Malaysia market. We will collect the ready stocks from the 30 difference brands to get the quantity that you request.

For example, if you request ready stock 100,000 boxes of gloves, sometime maybe mixed with 2 , 3 or 4 brands depends on the situation. Sorry that we need to mix up many difference brands for you because Malaysia is lack of Ready Stock now. The mix up 30 difference brands listed as following :

All above are 30 difference brands of glove in READY STOCK in Malaysia. Sorry that we are not allow customer to select which brand to buy, because ready stock sold out too quickly. Example if today we promise to sell you brand C, but tomorrow brand C is sold out before you make payment to us. End up we cannot sell you brand C but have to change order selling you Brand B or Brand A for instead. Although you cannot select which brand to buy but you may tell us your requirement, we will try our best to find the ready stock that meet your requirement.

You don't have to worry about our glove quality because Malaysia glove quality is always the best among all countries. You may google search "Which country the best quality of glove", screenshot at below :

After you made payment, please allow 3 days to 1 week for us to buy the ready stocks of glove from factories or distributors in Malaysia.

We ship glove from Malaysia to you by Fedex/DHL/TNT. It takes only 4-7 days to arrive at your door.

Payment method : Pre-pay full payment by Bank Telegraphy Transfer or Paypal.
